

# DIY Activities

## CAST A SPELL USING STEM

---

- Do a science experiment (visit the library's [schoolwork guide](#) for ideas) and share what you learned with your friends.
- Check out a new e-cookbook and try a recipe, then review the title with someone in your family.
- Watch a nonfiction video on [Scholastic TrueFlix](#).
- Plant a seed and keep a journal of its growth.

## ACTS OF KINDNESS

---

- Coordinate a [book BINGO](#) or [reading challenge](#) with your friends and family.
- Create a sidewalk game for the people in your neighborhood.
- Make a card for or write a letter to a friend, family member or senior citizen through [Love for the Elderly](#).

## ABRACADABRA

---

- Learn a magic trick and put on a virtual magic show for friends and family, or teach someone a magic or card trick.
- Ask three friends or members of your family about their favorite animals and then combine those animals into one magical creature! Draw a picture of or write about the beastie.
- Create a magical land and draw a map of it.
- Make a fairy house out of found-in-nature items like sticks, pinecones and pebbles and leave it in your yard or a park for the fairies to find!

## DIY Activities, continued

### EXPLORE YOUR WORLD

---

- Play I Spy with a family member outdoors.
- Learn something new by reading Wonderopolis' [Wonder of the Day](#) feature.
- Explore a local park you've never visited before.
- Try a dish or dessert from a local restaurant you've never had before.

### GET CREATIVE

---

- Color the sheets featuring [Knight Asparagus](#), [Wizard Winston](#) and [Dragon Ricky](#). Display them in your window for your neighbors to see.
- Try out a new crafty skill (look for inspiration on [CreativeBug](#)).
- Using only items you have in your house, create a costume and dress up as your favorite fairy tale or mythological creature.
- Create a family tree and ask your family to tell you stories about your ancestors. Start a diary and record your own family's story.
- Start a paper or video journal and describe or draw pictures to document your COVID-19 stay-at-home experience.
- Coordinate a no-stoves-allowed snack challenge with friends. Videochat and vote on the most appetizing-looking entries!
- Put on a play! Act it out yourself, make puppets out of craft supplies or use stuffed animals.

### READING AND MORE

---

- Watch a storytime with Miss Jenny, Miss Lisa or Miss Karen on the library's [YouTube playlist](#) or [homepage](#), and share your favorite song or story with someone else.
- Film yourself acting out a favorite scene from a book you read and share it with friends and family. Get creative and include your pets, siblings and/or stuffed animals and dolls in the video.
- Parents, if your child is age 5 or under, sign them up for the [Ohio Governor's Imagination Library](#).
- Check out and read an e-book from the library's [Right-now reads list](#). Film your own book trailer about the title and share it with friends.
- Read a book and watch the movie.
- Parents, complete an early literacy activity with your [baby](#), [toddler](#), [preschooler](#).
