HOW THE CLUB WORKS

Program participants of all ages are eligible to receive prizes based on the amount of time they spend reading, attending library programs or taking part in weekly adventures.

- LITTLE KIDS (ages 5 & under) will complete the program after 7.5 hours
- BIG KIDS (ages 6-11) will complete the program after 10 hours
- TEENS (ages 12-18) and ADULTS will complete the program after 15 hours

You can finish the program by reading for the required time, or by doing a combination of reading and:

ATTENDING PROGRAMS: Attending programs counts toward completion time, and we have a lot planned at all three library locations. Check out the programs listed on pages 18-30 of your Gallery Guide, pick up a summer newsletter or visit worthingtonlibraries.org for a complete list.

WEEKLY ADVENTURES: These do-it-yourself activities - like using household items to create a masterpiece or searching for the library's art rocks at an area park - can help you finish the Summer Reading Club and snag some great prizes. Complete an adventure each week and bring the week's ticket (pages 7-10 in your Gallery Guide) to the Library to be entered into a weekly prize drawing. There will be two winners at each library every week.
